

Parade and Carnival

Next week the Bartow-Frank-Durbin Volunteer Fire Company will sponsor a carnival at Hiner's Park, Durbin Monday through Saturday. This is part of the effort to raise money which is needed to keep our Fire Department in operation. The firemen are now selling advance tickets for the carnival rides at a reduced price, which saves you money and they get a higher commission than those sold at the rides. This offer expires when the carnival arrives Monday. Tickets may also be bought at Sheets' Garage Green Bank, Farmers' Supply Company, Arbovale, Pyle's Esso Station, Bartow, Kane's Market and Tallman's Store in Durbin.

A parade of fire trucks and equipment will be held Thursday night at 7:00; several fire units from visiting communities will participate. In addition to the fire trucks, all businesses, organizations, and individuals are invited to enter floats, displays or cars in the parade.

As this is one of the most worthwhile projects in our community let's all turn out and support our fire department.
